*****

ORDER:

During the months of August-September 2024, a low pressure and depression system formed in Bay of Bengal caused severe cloud burst in the coastal Districts of AP. There was a very heavy rainfall burst in a short span, which induced unprecedented flash floods with heavy discharge in several natural streams such as Budameru & local vagu etc., which is beyond the known capacity. Due to emergency situation where the standing crop in thousands of acres is at stake, these works are to be taken up to restore water supply to ayacut.

2. In G.O. 1st read above, orders were issued, according Administrative Approval for an amount of Rs.6373.23 lakhs for 517 No. of temporary & permanent restoration of flood damage works which were taken up in view of the urgency duly placing the proposals before the Cabinet Meeting held on 17-03-2025.

3. In G.O. 2nd read above, orders were issued, according administrative approval for an amount of Rs.4391.63 lakhs for Restoration and Repairs of 126 Irrigation Infrastructure works damaged due to Floods in the year 2024 (Major & Minor Irrigation) (Flood Damage Repair works) of Mylavaram Assembly Constituency under relevant Head of Account.

4. In Govt. Memo. 3rd read above, orders were issued, directing the Chief Engineer, Krishna Delta System, Vijayawada to call for Tenders in Short Tender System immediately and process them pending issue of LOA for the following 4 Nos. of works for an amount of Rs.449.92 Lakhs in view of the critical safety and structural integrity of both Prakasam Barrage and the Diviseema region expressed by him:

(PTO)
